

Wanna be Famous??

We're thinking of changing the "Players Profiles" page on the website to "Who's Who" to allow other members to share their information.

You'd be surprised how often we mention somebody and get asked.... "which one's that?"

**** THE WEBSITE IS ABOUT THE CLUB AND YOU'RE PART OF IT SO GET YOURSELF KNOWN AND INVOLVED ****

Grab one of the forms (from the bar) and fill in whatever details you're happy to share. You can either, fill it in and hand it in to the bar, to one of the Todds or there's a version on the website you can complete and submit online.

Players need to fill in too (and it saves the need to show your weight and age!!)

Go on!! Become a Famous Grouse!
