

August 2010

Dear all!

Thank you for making your commitment to the Ladies' Committee and supporting our tasks and events this year!

As a 'supporter' of the committee you will receive regular email newsletters keeping you up to date with any projects or events scheduled.

Our 'Strawberry Tea' meeting on 1st August was very successful and many thanks to those who were able to attend! It was great to share ideas and think about the season ahead!

We have agreed with the club committee that we will organise 3 events this season:

4th September 2010: an evening event to celebrate the boys' first game of the season. Arrangements in process.

11th December 2010: a Christmas themed event; day or night time.

9th April 2011: Ladies' Day 2011.

*We will continue to support **Rugby Myton Hospice** throughout this season too. Great news!*

If you have any ideas about the Christmas event or the next Ladies Day, please, please share them!

The date of our next meeting to start to plan the Christmas event will be confirmed very soon!

Keep a look out on our new Ladies' Committee notice board in the club for updates and other notices!

Please also let me know what you think of a Ladies' Christmas Calendar to raise money for our charity! Anyone feeling brave?

I hope you are all enjoying your summer! Keep in touch and spread the word!

Many thanks, Leah x
